Allowable Subject Matter

1. Claims 7-14 are allowed.
2. The following is an examiner's statement of reasons for allowance: There is no teaching or suggestion in the prior art of the claimed combination having a movement of the chain guide being controlled by the control cable to move the chain between at least the highest speed mode and the lowest speed mode, when the chain guide is in the highest speed mode, the linkage rod is located at a position substantially parallel with the seat tube and the restoring force of the return spring is equal to an active component force required for shifting the chain and the entire restoring force is utilized for downshifting the chain from the highest gear to the middle gear.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
